Train - Option 1

Vienna Airport (VIE) – Vienna City Center – Krems (Platform 3A)

From Vienna International Airport you need to get to Franz Josefsbahnhof or to the subway and railway stations Spittelau or Heiligenstadt.

Trains to Krems leave almost every hour. The last train from Wien Franz-Josefsbahnhof or Spittelau/Heiligenstadt to Krems leaves around 00:10.

Arriving by train

Vienna Airport is directly connected to the Austrian Railway System (OEBB). Follow Signs to the Train Station (Bahnhof): Inside the arrivals hall, look for signs directing you to the train station (Bahnhof). There will be clear signage indicating the way to the train platforms.

Before boarding the train, you need to purchase tickets. You can either use ticket machines available at the airport train station or buy them from the ticket counter.

Train - Option 2

Vienna Airport (VIE) – St. Poelten – Krems (Platform 1 and 2)

Trains to St. Poelten leave VIE from 6:33 am until 9:33 pm in a half-hourly interval (.03 / .33). In St. Poelten, you will have to change the train to Krems.

Good to know: The so called "Railjets" (RJ) from Vienna Airport to St. Poelten offer special compartments for your luggage, the trains from St. Poelten to Krems do not, as those are regional and small trains, which are mainly used by commuters and pupils.
